

SGA 2024 - 2025 Committees

Standing Committees:

Appropriations Committee

The Appropriations Committee deals with bills referred to them by the Senate. They consider, review and recommend allocations on senatorial bills to be approved by a vote of the full Senate. This committee is chaired by a senator appointed by the SGA President.

Campus Issues Committee

The Campus Issues Committee is a collection of ad-hoc committees that seek to gather information on issues important to the student body while suggesting and implementing policies that will better the lives of students at Georgia College. This Campus Issues Committee includes University Community Affairs, Retention, Student Emergency Fund, Public Safety & Wellness, and Sustainability & Infrastructure. These committees have been created to deal with issues that the students have voiced concern about and that can be dealt with immediately. This committee is chaired by the SGA Vice President.

Diversity and Inclusion Committee

The Diversity and Inclusion Committee is committed to representing all students on campus and promoting an inclusive environment on campus. They work closely with the HUB and the Office of Inclusion and Belonging, as well as strive to institute collaboration between all representative student organizations. The committee is chaired by a senator appointed by the SGA President.

Senate Rules and Oversight Committee (SRO)

The Senate Rules and Oversight Committee deals with the internal workings of Student Government as well as assisting with public relations and elections. The committee also oversees the approval process of Registered Student Organizations (RSOs) on Campus. To view a complete list of all RSOs, please follow this link to Campus Life's RSO Management Site, GC Connect. This committee is chaired by the SGA President Pro Tempore.

Student Travel Fund Committee (STFC)

The Student Travel Fund Committee provides limited financial support to students who are presenting scholarly research or a project presentation at an academic conference or workshop. This committee is chaired by the SGA Treasurer.

University Student Affairs Committee

The University Student Affairs Committee deals primarily with matters and services provided by the Department of Auxiliary Services. They work closely with the department to help determine business hours of on-campus dining facilities, parking and student concerns among other tasks. This committee is chaired by a senator appointed by the SGA President.

Ad-Hoc Committees:

Public Safety & Wellness Committee

The Public Safety & Wellness Committee addresses issues related to campus safety, mental health, and student wellness. This committee works closely with campus safety officials and wellness programs to develop initiatives and policies that ensure a secure and supportive environment for all students.

Student Cultural Experience Committee

The Student Cultural Experience Committee promotes diversity and cultural awareness on campus by supporting events and initiatives that highlight the experiences of all students. Collaborating with student organizations and campus offices, the committee fosters an inclusive environment and celebrates cultural diversity.

Sustainability & Infrastructure Committee

The Sustainability & Infrastructure Committee focuses on improving campus infrastructure while advocating for environmentally sustainable practices. The committee collaborates with administration and student groups to implement projects that enhance the campus's physical environment and sustainability efforts. Addresses concerns related to services provided by the university, such as housing, dining, and parking. By working closely with Auxiliary Services, the committee advocates for improvements to enhance students' daily experiences on campus.

University Community Affairs Committee

The University Community Affairs Committee bridges the gap between the university and the local community, working on initiatives that benefit students and community members alike. Through partnerships, events, and outreach, the committee strengthens relationships and fosters mutual support.

University Student Affairs Committee

The University Student Affairs Committee focuses on enhancing the quality of student life by addressing academic support, extracurricular engagement, and campus resources. It collaborates with various departments to ensure students have access to opportunities and services that foster personal and professional growth.
